Our Philosophy of Care

Making the Most of the Golden Years

At The Lantor Residence, we believe that our residents should enjoy quality life to the fullest. We help them to live gracefully and meaningfully by providing the facilities and support to optimise their health and maintain their physical and mental faculties.

Peace of Mind

Family members of our residents can have peace of mind, knowing that their loved ones are well looked after by a team of professional staff. We provide 24 hours nursing and medical care as well as a full suite of ancillary services. We also enrich their lives with exciting and interesting programmes and activities.

Pastoral Care

We believe that holistic care encompasses pastoral care and spiritual fulfilment. Weekly Sunday Christian worship service is held at The Lantor Residence. All are welcome.

Our Facilities

Studio Suite

Our new wing was completed in 2013 and features spacious ensuite studio with an unblocked view of the luscious greenery outside. Choice of single or double-bedded configurations.

Features	Benefits
Choice of carpeted or vinyl flooring	Relax in a safe, home-like environment
Private toilet and bathroom	Amenities within your personal space
In-room air-conditioning	Choice of comfort for all weather
Personal telephone connection	Stay connected with your loved ones
Wi-Fi Internet Access	Connectivity to follow subjects of interest and record your autobiography
Wireless nurse call system	Help when you need it
Advanced fall prevention technology	Caring for you subtly, attentively

Healthy Dining Options

Our registered dietitian ensures that the menu will meet each resident's nutritional requirements. Our residents can enjoy carefully crafted, delicious and balanced meals prepared by our in-house chef with healthy ingredients. Meals are tailored to the residents' medical condition.

Our Services

In-House Medical and Nursing Care

Our experienced in-house doctors review our residents regularly and also attend to them whenever necessary. Our team of highly trained nurses are experienced in dementia care, wound care, fall prevention and other chronic medical conditions. Integrated pharmacy services ensure that medications are delivered to residents accurately and in a timely manner.

Active Minds Healthy Bodies

Residents are encouraged to adopt maximum independent active living. We provide a full range of activities to engage our residents and help them to remain mentally and physically active.

These include:

- Art and music programmes
- Personal grooming
- In-house regular physiotherapy
- Group exercise programmes
- Planned outings to places of interest
- Support for personal interest eg. Photography etc
